Please note that a \$19.95 activation fee and advanced monthly services will be charged to your credit card when your tracking unit is activated. Advanced monthly service charge will included a pro-rated amount for the current month as well as the total for the following month. Activation will not be completed without a signed data plan agreement and activation form.

Please allow 24 hours for us to activate your tracking units. Your PIN will be sent via e-mail to the address you provided on this sheet. To check the status of your activation, you can turn your 8100 on and go through the initialization procedure outline in the User's Guide. If it appears that your unit will not activate, please send an e-mail to support@landairsea.com.
